
What We Do

Each month we take a team of 5-8 people down to join others from around our city feeding a lunch to some of the homeless population of Cleveland. It is an amazing time of distributing a hot, well cooked meal to over 100-250 people. If you want to get involved, there are a limited amount of opportunities each month, but you can sign up online on the OUTREACH page, on Sunday at the CONNECT CENTER, or call into the office on 440-729-7006.

What We Need

In addition to feeding our guests, we also want to bless them with items that they may need. If you have anything to give in the categories below, please bring them to the Connect Center on Sunday so we can take them with us on our next visit.
